Neat, honey sweet and hard to beat.

Clean lines and a warm traditional timber look make this solid collection a modern classic, with smart practicality in its deep drawer design.

Wood truly warms an interior, and this collection brings golden honey tones in with its tactile walnut finish and thick wood tops. With a sleek linear look, the recessed drawers are handle-free, and also provide incredibly deep storage. Fully finished internally and mounted on high quality full extension runners, all drawers are built tough to go the distance. With the full range backed by a 10 year guarantee, you know your investment in quality is worth it. Let the Nico collection set the tone for your home.
